## APPENDIX A

### CBSC Decision 08/09-0650 CFNY-FM re a “Spencer the Cripple” segment on the *Dean Blundell Show*

---

The following is a transcript of the “Spencer the Cripple” segment that aired during the *Dean Blundell Show* on January 5, 2009 at approximately 8:45 am on CFNY-FM (102.1 The Edge, Toronto).

Dean: 102.1 The Edge. The Offspring and “Hammerhead”. Or “You’re Gonna Go Far Kid”. One of the two. It doesn’t matter, it’s The Offspring.

Todd: Ha. [laughs]

Dean: Um, 8:51. Minus four your high today. Right now it’s minus three. [affects funny voice] Spencer the Cripple is in the hizzay.

Spencer: Hi, guys.

Todd: [in background, using funny voice] How’s it going?

Dean: Hi, Spence.

[Chariots of Fire song playing in background]

Spencer: Good. How are you?

Todd [in funny voice]: Good to see ya. Happy New Year!

Dean: Still, uh, still crippled?

Spencer: I think so, yes.

Todd [in background]: Wo oh, woo ooh.

Dean: Now, your Christmas was good? What’d you get for Christmas? What did Santa bring you?

Spencer: Uh, no-, uh, nothing really. Uh, I got a, a, uh, webcam, but that was pretty much it.

Todd: Wo ho ho ho ho ho.

Dean: Woah. [hosts laugh]

Jason: Oh no. That cannot be good.

Dean: I said ah ye-ah.

Todd: Yeah, ’cause on the webcam, you get outta your wheelchair, you look normal.

Dean: That's right. Hey. You know, this is gonna, this is the start of your –

Spencer: No, I –

Dean: -- of your working career. You're gonna do, like, crippled sex chat dot com.

Todd: It's brilliant.

Spencer: I don't look normal because if I sit in the chair, people, people can only see me for about two minutes until I slide down off the chair and then they're like "Where'd he go?" So.

Dean: So have you used the webcam yet?

Spencer: Yes, I have.

Dean: What'd you use it for?

Spencer: Uh, this thing called Skype. It's a –

Dean: Excuse me?

Spencer: I Skyped people over my holidays.

Dean: Ex-cu-se me?

Jason: What is that?

Todd: What the hell does that mean?

Spencer: It's a, uh, a, it's an internet phone thing. Where you can contact people all over the world.

Todd: Random strangers? Like, just diallin' up the wrong number?

Spencer: Uh, no. Uh, you, uh, you –

Dean: Were you bored one night? Yeah, you did that. You phoned some number and you're like [affects funny voice] "Oh, uh, nevermind, sir. I got the wrong number. Anyways, do you want to talk to me for a few minutes?" Were you like that?

Spencer: More or less.

Dean: Thought so.

Todd: So you call up people, but you can see them?

Spencer: Yes.

Dean: Is it real time?

Spencer: Yes, it is.

Dean: There's no delay?

Spencer: Not really, no.

Todd: Does it skip a bit? Like every, every three or four seconds, whatever?

Spencer: It, it skips a little bit.

Todd: Yeah.

Spencer: If they –

Dean: Weird.

Spencer: -- move around too quickly. Which isn't my problem.

Dean: No.

Spencer: But, uh, like, it's pretty good. So.

Todd: What do you talk to people about?

Jason: Yeah.

Spencer: No, it's, uh, --

Dean: It's like a chat group?

Spencer: No. It's to keep in contact with friends that might be overseas or something like that.

Jason: And you have friends overseas?

Spencer: I have friends in Hawaii and a couple of different things.

Todd: Who?

Dean: Yeah, who?

Spencer: Uh, my friend Caroline, uh, just went to BYU in Hawaii. Uh –

Dean: BYU is in Hawaii?

Spencer: They have a campus there, yes.

Jason: Bring your uterus?

Todd: No.

Dean: Brigham Young.

Todd: I don't think it's, I don't think it's "bring your uterus".

Dean: Oh. Yeah, it's definitely not "bring your uterus". [Todd laughs]

Jason: I don't know.

Todd: Pretty good acronym. [laughs]

Dean: So you got a webcam. What else'd you get for Christmas? Any socks, underwear, gloves, traditional things?

Spencer: I, I got some socks, yes.

Jason: Mm hm.

Spencer: And, and, uh, --

Jason: Wet wipes?

Spencer: No. A few pairs of boxers, though.

Todd: You know what'd be a good present for Spence? You, like, open up a gift and it's, like, a new assistant. And she's in the box. [laughs]

Dean: Yeah. With one really, really soft hand for wiping.

Jason: Mm hm.

Dean: Like, I don't like the one I got last year. He had a hang-nail. [Todd laughs]

Jason: [affects woman's voice] My, my name is Joyce. I've moisturized for several years. I have very supple hands for wiping your bottom. Sweet.

Dean: Do other people do that for you?

Spencer: Wipe?

Dean: Actually wipe your bum?

Spencer: No! We've had this discussion.

Dean: You do it yourself?

Spencer: That's one thing I can do for myself.

Dean: Oh, okay.

Todd: I'd like to see you do it. [laughs]

Dean: Yeah, do it right now. Put your hand back there.

Jason: Yeah, you seem to get upset when we ask that question, but you understand, like, we still say the names of the songs because not everyone's heard them.

Spencer: Right.

Jason: You know?

Spencer: Yes.

Jason: Like, that was The Offspring.

Todd: Yep.

Jason: But we can't just play it and expect people to know. People need to know if you wipe you bum.

Todd: We also keep asking you 'cause I don't think we believe ya. 'Cause you can't even give me five. Watch. Gimme five. No, see, you missed.

Dean: You missed.

Jason: Just the tip. Did you give the tips of the fingers?

Dean: You tippy-ed, you tippy-ed him. You touched the tip of your fingers to his hand.

Spencer: I didn't even do that.

Dean: Gimme a thumbs up. That's terrible, it's like thumbs sideways. Now you're giving me the finger sideways. [other host laughs] I don't think you can wipe your own bum. Admit it!

Spencer: Yes, I can.

Jason: I have trouble sometimes.

Todd: Like properly, or sometimes does the assistant just get it, just clean you right up for you. [laughter]

Spencer: No, no. I, I do it. I do it for myself.

Jason: All right.

Todd: You're wiping [??].

Dean: So, now, what did you get for your girlfriend?

Todd: Wiping the [?].

Spencer: I got her some flowers.

Dean: Yeah?

Spencer: Um, and a thing at the, uh, at the Great American Back-Rub in, uh, the Eaton Centre.

Todd: What's that, like a spa or somethin'?

Spencer: Yes. And, uh, a nice package from, uh, The Body Shop.

Dean: Your pants?

Spencer: That too, yes.

Dean: A nice package from your pants?

Spencer: Yes.

Dean: Did you have the sex over the holidays?

Spencer: I did.

Todd: Yeah, yeah, what's up!

Dean: Did you bring a ruckus? Did you bring the ruckus? [Todd chuckles]

Spencer: I tried, yes. But, uh, but I learned one thing.

Dean: What's that?

Spencer: You need to have –

Jason: If it's brown, don't go down. [Todd laughs]

Spencer: Besides that.

Todd: If it's red, stay in bed. [Jason laughs]

Dean: If it's green, she's real mean. [more laughter]

Spencer: Are you done?

Jason: [affects funny voice] If it's white, it's all right.

Todd: Haa. We weren't done.

Spencer: You need to have the coitus on a regular basis or your stamina goes down really quick.

Dean: Your stamina?

Jason: Well, I mean, Spence, I mean, people really aren't, probably aren't thinkin' that you're ... Don't know how you're expectin' much.

Todd: What're you talkin' about?

Spencer: Remember, remember when –

Jason: You just lay there, dude.

Dean: Wh-, what are you talkin', yeah. Your, your, your stamina [Todd laughs] is sitting in a chair. That's what you need stamina for. I got stamina to sit in a chair all day long.

Spencer: First you say I lie down, now you say I'm sitting in a chair. Make your mind up.

Dean: Well, what are you? Lying down or sitting in a chair? Both.

Spencer: It depends.

Dean: But I can tell you this. You are not the aggressor. So you're, if you have the stamina to sit there like that, you can have sex all day long.

Spencer: Right.

Todd: Your assistant needs stamina like gettin' you off the chair and lyin' you down first.

Dean: Yes, and, uh, make sure we wipe you down after.

Spencer: No, but, um, 'member how we were, uh, discussing earlier how when I first brought Tina in, um, that we lasted for about forty minutes.

Dean: Mm hm.

Spencer: That kind of rapidly decreased over the holidays.

Dean: Right.

Jason: Why?

Dean: Now you're down to a time that we'd actually believe?

Jason: Like a minute and a half?

Dean: Three? Four?

Todd: How does this theory make sense?

Spencer: More like ten.

Dean: Ten.

Jason: Ten.

Todd: How does this make sense? So you're sayin' that the more you do it, the less stamina you have?

Spencer: No.

Dean: No. The opposite.

Spencer: No.

Todd: I'm proving a point.

Spencer: That –

Todd: Which is how the hell did you go forty minutes the first time that you hadn't had it in three years?

Jason: Oh, good point, Todd.

Todd: Thank you.

Jason: I wasn't payin' attention.

Todd: No, you weren't gettin' to it.

Jason: Right. [hosts laugh]

Spencer: Well –

Jason: Yeah?

Spencer: It, it was –

Jason: Liar!

Spencer: No, I, Tina admitted it.

Todd: [makes sound mocking a person with a speech disability.]

Jason: Come on.

Spencer: Tina admitted it. And even, and even Dean believed that I went forty minutes.

Dean: Well, I just, I thought you were gettin' such a, such a, a butt-whooping from these guys mentally, I had to believe you because I thought it was the nice thing to do. I find it hard to believe.

Todd: [laughs loudly & claps hands] I love Dean for that reason alone. He's real good.

Dean: I find, I find it hard to believe that you, uh, had coitus for forty minutes. However, nothing is impossible and I have seen the impossible. So.

Jason: Yeah, like, if you're talkin' from when you first went in the apartment to final sponge bath, forty minutes, okay.

Spencer: Listen. I don't know how it happened, but it happened. And, and –

Dean: Were you drunk? Did you have whisky wiener?

Spencer: No, I didn't.

Todd: You're makin' no sense!

Spencer: Thank you.

Todd: No problem. What was the impossible you've seen? Was it that cell phone search thing?

Jason: Yeah, what was that?

Dean: That's one of 'em.

Todd: Yeah, okay. [laughs]

Dean: And, uh, the dude with the horse.

Todd: Yeah, that was, that's totally impossible.

Dean: But he's dead, so.

Jason: Yeah. Different.

Dean: But, truth is –

Spencer: And the fact that I actually had sex with somebody.

Dean: Well, no, that's possible. I wouldn't, I agree. It's just the length of time.

Todd: Yes.

Dean: Usually when you tell a lie, you try and make it a little bit believable.

Spencer: Right. I still – [hosts laugh]

Jason: Forty minutes. I've you'd said fifteen, we woulda went "okay".

Dean: I woulda, I woulda been proud o' ya for fifteen.

Todd: Yeah! Even eight!

Dean: You didn't even double it. You almost tripled it!

Spencer: No, I'm telling you, we, we went for forty minutes.

Dean: She went for forty minutes. You laid there for forty.

Spencer: More or less.

Dean: Yeah.

Jason: Yeah.

Dean: So don't say "we". See, I can do that. I just gotta think about baseball.

Spencer: You're, you're making me sound, not only like a blow-up doll, but a stick figure.

Dean: Well, what do you do actively in, in, in a sexual, uh, escapade? I mean –

Spencer: Ask someone else.

Dean: No, but I'm serious. [Todd laughs] Well, what do you contribute?

Spencer: Not a lot.

Dean: There you go.

Todd: Yeah.

Dean: So, I'm maybe making you sound like an appartus, but it doesn't matter because –

Spencer: Hey man, you get it, you get it.

Jason: Yeah, enjoy it.

Todd: Atta boy! See. That's all we're sayin'. You put your face on it? [laughs]

Spencer: Once or twice.

Todd: Yeah well.

Jason: Now do you have a rule? Do you use a tap-out rule or anything? Because, I mean –

Dean: She could choke you, yeah.

Jason: It's not like you can throw her off.

Dean: Did you hear the story that happened? To a woman?

Spencer: No.

Dean: Oh, it's a terrible story. This nurse, a woman's in a coma. Nurse, a true, it's a true story. Nurse is in a coma.

Todd: Sure.

Dean: Er, woman's is in a coma. And the woman's in there sponge-bathing her and she's, she's washing her privates. She's been in a coma for, like, months. Uh, so she's washing her, her holy of holies. All of a sudden, there's blip on the screen and she moves a little bit and her eyes twitch. True story. So the woman, the nurse rushes out of the room, she gets to the husband, she goes "Listen, this might sound really bizarre, but, um, I think you might be able to help your wife's process of coming along by performing an oral act on her. Or, you know, by you guys having oral pleasure."

Jason: She said that? Wow.

Dean: "Cause I just did the sponge bath and, uh, I really believe, like, --

Jason: Mm hm.

Dean: "-- if you and your wife have some oral pleasure, I think you could help maybe revive her." So twenty minutes later, all of a sudden the monitors go "eeee".

Todd: [makes high pitched noise like heart monitor going flat]

Dean: Nurse runs in. She's dead. The woman is dead. True story. Guy's buckling up his pants. Woman goes "What's wrong?" The guy says "I think she choked to death."

Spencer: Wow.

Dean: So, there's always the concern there for you with that.

Jason: Yeah. [Todd laughs]

Spencer: Never thought about it that way. But I will now.

Todd?: [makes gargling/glugging noise like he's choking]

Dean: Just, uh, just be careful.

Spencer: I will.

Dean: 'Cause you gotta have some good short-hand. You gotta be able to communicate, like, a –

Jason: Little tap out.

Dean: One tap means, one tap means uh, –

Todd: Yeah.

Dean: -- you're having a great time. Two tap [sic] means go faster. One big slap means just get off, I can't breathe already.

Spencer: Yes.

Todd: [makes noises like he is being smothered & trying to talk]

Spencer: Another, another uncanny imitation of me.

Todd: You're welcome.

Spencer: Thanks.

Dean: Nine-oh-two, more with Spencer the Cripple coming up, as well as Todd's vacation in Jamaica. We'll chat with some Jamaicans coming up next as well. Hang on.

Jason: We'll do some traffic.

Dean: Time for a look at Edge traffic.

[traffic & commercial break]

Jason: Sorry. I saw it was only, like, ten-seconds a spot.

Dean: We're good.

Jason: I know you're chewing.

Dean: No, I'm not chewing.

Jason: Not anymore. You're done.

Dean: Here's somethin' to chew on. Spencer's getting married. [laughter]

Jason: Yep.

Dean: We'll chat about that. Todd in Jamaica.

Todd: [affects Jamaican accent] Yeah, mon.

Spencer: And my job possibilities.

Jason: Oh! Look at that!

Todd: Yeah, mon.

Jason: Makin' a guy cry can help.

Dean: Yeah, we did make him cry last time.

Spencer: Can we not talk about that, please?

Jason: Why?

Spencer: It wasn't my finest moment.

Dean: It was a sensitive moment.

Jason: Yeah.

Todd: You're a cute, little crippled crier boy.

Spencer: Once again, showing your sensitivity in spades.

Jason: Yeah. It's okay. Then we cheered you up with a basket on your head.

Todd: Cute little crippled girl. [laughs]

Spencer: That you would not let me take off.

Jason: [?] cute you were.

Dean: I had nothing to do with it. I'm over here.

Jason: Lady, what are you saying? [laughter]

Dean: 9:05. MGMT, 102.1 The Edge.
