Dear Ron,

Thank you for sending me a copy of the *Annual Report of the Canadian Broadcast Standards Council* for the year ended August 31, 2007. I read the report with interest and have passed it along to the appropriate staff members here at the Commission.

In your opening remarks, you note quite correctly that this year there has been a greater emphasis on the role of those Codes administered by the CBSC. It was interesting for me to read the perspective of the CBSC on its participation in the review of existing standards as well as the preparation of additional codified standards, such as the Equitable Portrayal Code.

With respect to a different matter, I also wanted to thank you for sending me a copy of the supplemental submissions of the CBSC to the Standing Committee on Canadian Heritage regarding Bill C-327. For your reference, I have enclosed a copy of the Commission's submission to the Standing Committee on the same matter.

look forward to speaking with you again soon

Sincerely,

Konrad von Finckenstein, Q.C.
